Imogen's Olympic strip!

It's surely what the Great Britain Olympic athletes' kit should have looked like!

➔ **OK, WE** admit that so far this summer you'd have more chance getting a suntan on the moon than in Margate, but we do have some truly stupendous summer events going on – including a little-known sporting shindig known as “the Olympic Games”. So with the eyes of the world fixed on Great Britain, we give you Imogen Thomas in a wonderful Olympic homage. Call it our little gift to remind you how awesome it is to be British!

Hi Imogen! How's your summer going?

Hello! Well, let's be honest, it's been a bit rubbish, hasn't it? I've been making the most of it by going away all the time. Can you make it stop, please, *Nuts*?

We'll try! Are you feeling excited about the Olympics?

I'm really excited! I think there's a lot going on in London to please you even if you're not that into sport. There's a lot to take in. Although I'm a bit worried that there are a lot of road closures and I don't know where I'm allowed to drive!

Which events are you most looking forwards to?

I love gymnastics. And I'll be watching the sprints. I love the runners and I'm so jealous of their bodies!

How fast can you run?

Quite fast, actually – I used to do athletics at school. I loved the relay race – I always came first!

What other sports are you good at?

I used to do gymnastics when I was small and I'm really flexible. I'm also pretty good at kickboxing... I can kick 6ft, so watch what you write about me! Ha-ha!

Erm, OK! What everyday activities would you turn into Olympic sports?

I'm wicked at cooking so I bet I could do pretty well at that. If it's an actual sport though, something fun like pancake tossing.

Thanks, Imogen. Finally, what do you deserve a medal for?

Putting up with the trolls on Twitter! Ha-ha! Maybe for services to *Nuts* or serving the young men of Britain! I'd get gold in that! Ha-ha!

The new *Twins* remake was hotly anticipated

EXCLUSIVE!

A quick word with Keith Lemon

Our moustachioed friend on Peter Andre, rapping with Wretch 32 and his brand-new reality TV show!

➔ **Hi Keith! You've got a new show, *Lemon La Vida Loca*.**

What's it all about?

It's like *Keeping Up With The Kardashians* only there are only two bang-tidy people – me and my girlfriend, Rosie. [Played by Laura Aikman from *Casualty* and *That Mitchell And Webb Look* – TV Ed.] It's my life beyond *Celebrity Juice*, *Lemon Aid* and *Keith Lemon: The Film*, out 24 August. It's at home, with me. I've never had a proper relationship – it's all been one-night stands. The longest I've been out with a girl is two weeks. She said, "I love you," and I was like, "Right, get out!" Rosie has moved down from Leeds and moved in with me. I think it's been about four months and so far, so good.

Awww. How did you and Rosie meet?

We met at a youth club. I was 13 and she was eight, so

I didn't go there. I thought I'd wait till she had t*ts. She's got t*ts now. We used to have a bit of slap and tickle in t'pub back at Leeds. I said, "Why don't you move to London? Then I can bang you every day!"

Charming! Are you filling your days with interesting stuff to do on camera?

Not really. Unlike Peter Andre's reality show where if he's got nowt to do he'll go and face his fears and climb up a big wall. When I've got nowt to do, they literally film me sat watching telly. People might watch it and say, "It's boring as f**k. It's just you sat on your sofa with your bird. How come you're not finger-blasting her?" Because then it's a porno. It's weird watching it back. Normally I'm sat behind a desk giving Fearne and Holly grief. People might think I haven't even got legs. But as you'll see in this show, I have got legs. And I've got loads of other things, too.

Do you find it hard to remember to be Keith 24/7, if you know what we mean?

Not really, because I am Keith! I suppose you see a different side of me. I'm not always jumping around. I read on Twitter that I'm a dirty b*stard. All these birds write, "Will you smash my back doors in?" But I'm more romantic. I had an argument with Rosie so next day I apologised and bought her a bag of salad. That's all she eats – she's like a fitness fanatic, which is fantastic in the bedroom. Her body is tick, boy. It's tick!

You recently beat Andy Murray at a game of Swingball. How did that happen?

I'm the face of Adidas, I represent the normal man who doesn't have a six-pack and has a one-pack. I was playing Swingball with Andy Murray on a roof in London. I said, "Have you played before?" He said, "Not really." So I battered him.

Wretch 32 is in the same Adidas Olympic campaign and he told us you can't rap!

He said I can't rap?

Well, he said you just speak your mind, but also he said you're not very lyrical.

I thought that's what rapping is, speaking your mind, freedom of speech but while doing it to a beat. My perception of rapping's wrong then. I thought he was impressed with me.

Should there be more normal people in the Olympics like you, Keith?

People say, "Why don't you get normal people on *Celebrity Juice*?" I'm like, "What will it be called? *Normal People Juice*?" It wouldn't work. It wouldn't make sense. It'd be funny to do a p*ssed-up Olympics with normal people. That would be a fantastic idea.

With Chris Moyles quitting the Radio 1 breakfast show, would you take over?

I like the idea of doing a radio show but not that early of a morning. F**k that! He's in bed before *Coronation Street*! I'm a night hawk, me. I was out with Paddy McGuinness and when I got home the birds were tweeting. Doing the morning show, that's the end of going out, innit?

Thanks, Keith. Finally, you were recently voted the gayest straight guy on TV. Do you agree?

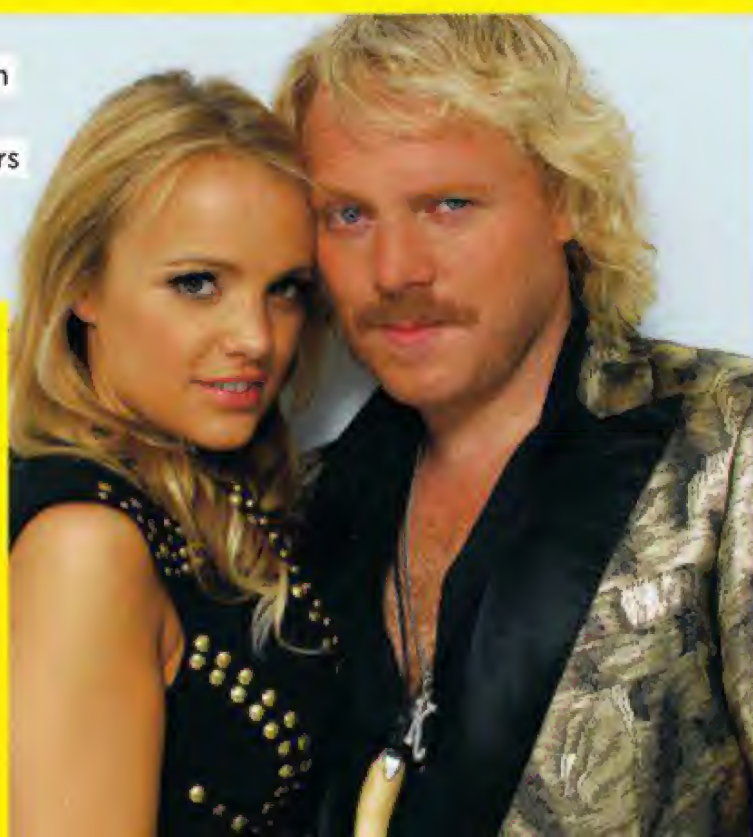

Yes, I f**king do! I'm very metrosexual. It's nice to have a gay following because they buy DVDs just like any other person. I suppose I am the gayest straight guy because I'm flamboyant and I like to look jazzy on telly. That's a good sound bite for you.

➔ **BLAH, BLAH,** rain. Blah, blah, no summer. Blah, blah, curse you, God! Frankly, we're bored of all the moaning about our lack of summer. We should all take a leaf out of Amy Childs' book, chuck some swimwear in a suitcase and jet off to sunny Dubai to play table tennis, paddle in the sea and drink cocktails with umbrellas in.

Simple. You know, apart from the expense, opportunity, and the fact we've used all our holiday up already!

EXCLUSIVE!

Dead Space 3 first play!

It's a world exclusive fingers-on with the third alien-shooting bum-emptier!

ALIEN SHOOTER

Dead Space is all about tension, blood and destruction and *Dead Space 3* brings co-op play to the party. New military type John Carver arrives to pull heads off necromorph aliens and we've just had the first play, ripping arms off the skeletal scum and blasting

the glowing orange anus of a snow beast boss. It's not out till spring 2013 but we completed level two, restoring power to a space station, saw human corpses birth alien mutants and played with a rifle gun and disc launcher. "What the f**k is that?" says returning hero Isaac Clarke. Our thoughts exactly!

WORDS: RICHARD MELVILLE

SPIDEY SKILLS!

Don't expect these necromorph's claws to stay on the ground. We saw a gang of them walk up walls, call their mates and ambush us. Use the laser sight with skill, otherwise it's game over in seconds.

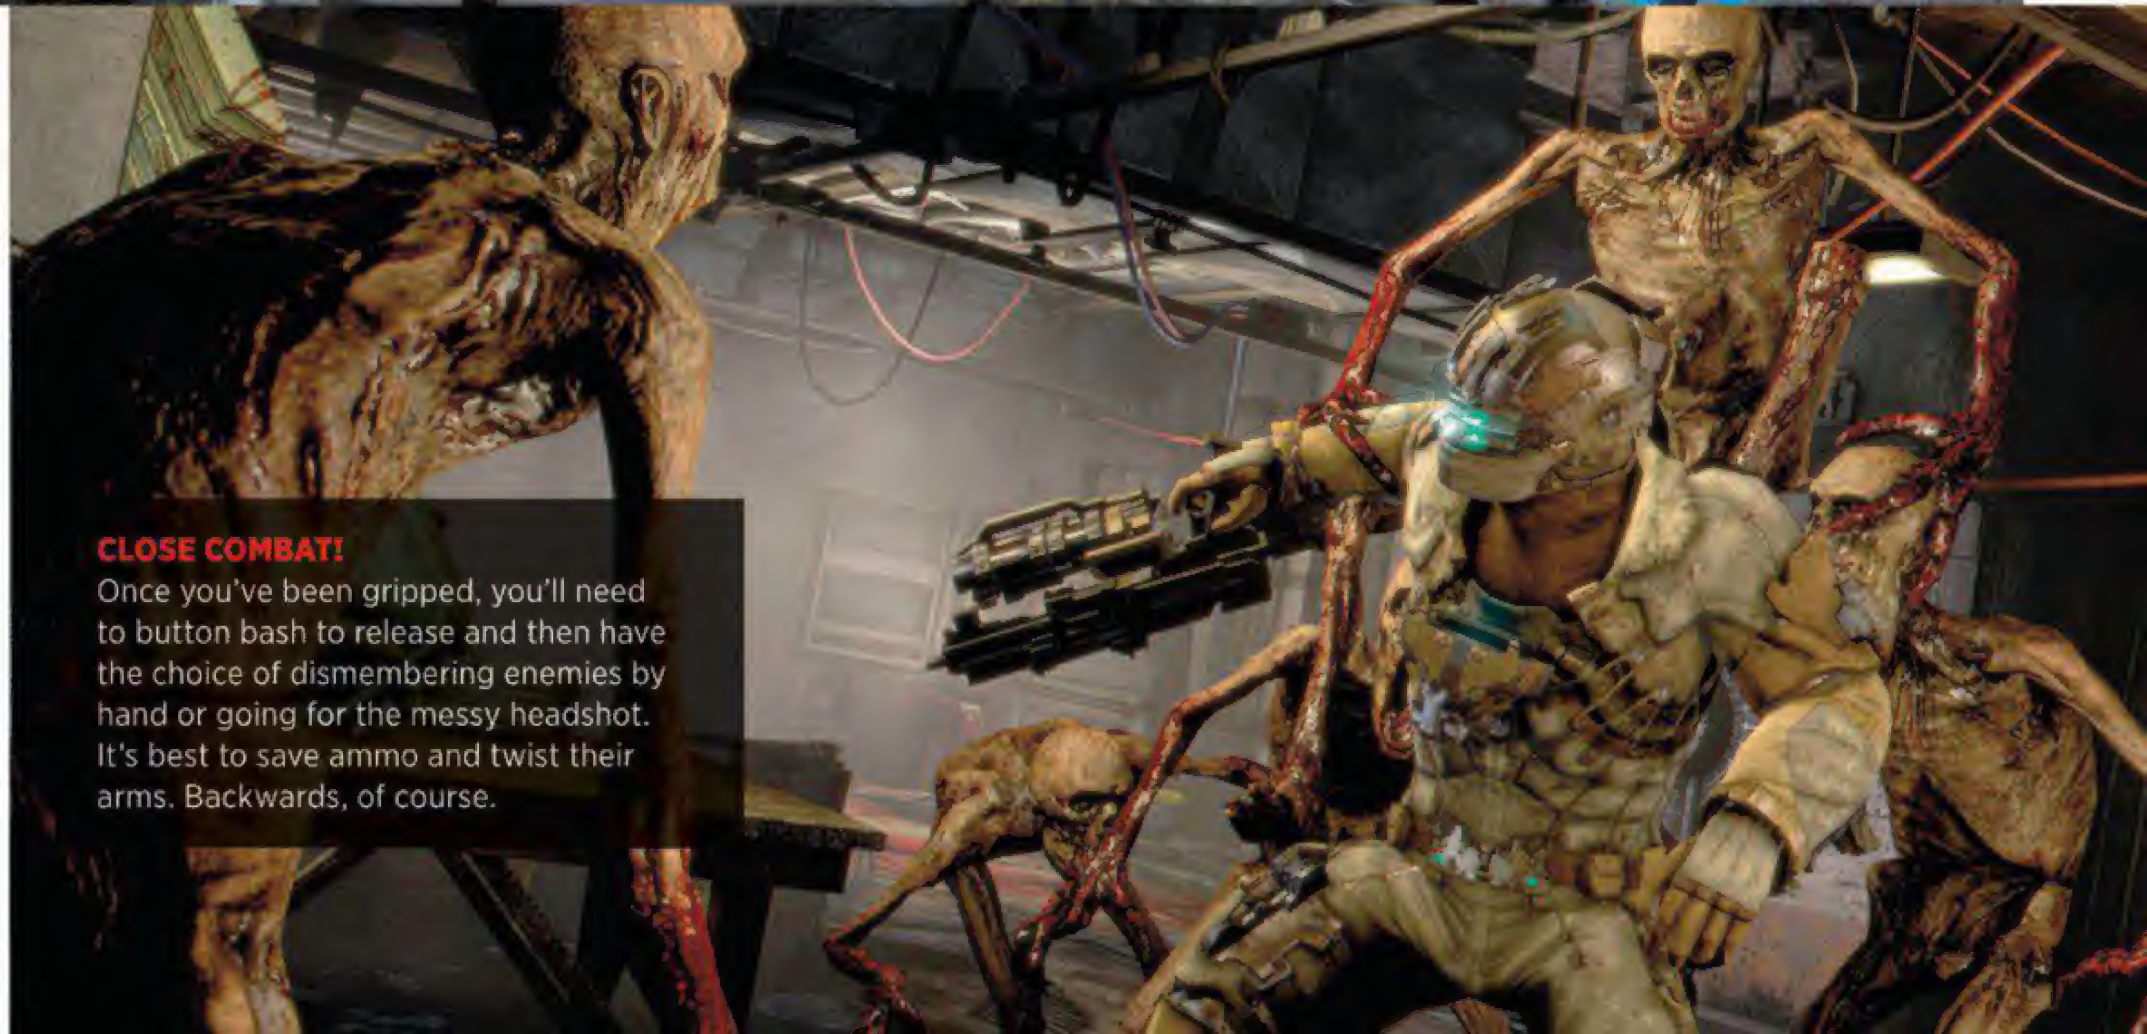

NEW WEAPONS!

John Carver arrives fresh from the military and has better weapons knowledge than original hero, Isaac. He can customise new weapons but can't use as many survival suits as Isaac. The blue neon streak doesn't look as cool as blood red anyway.

STALKING!

Enemies will now stalk you, waiting for you to pass in ceilings and crashing down when you least expect it. We got cornered in the toilets by four of these freaks and they made a noise not unlike a drunken urban fox gang bang.

CLOSE COMBAT!

Once you've been gripped, you'll need to button bash to release and then have the choice of dismembering enemies by hand or going for the messy headshot. It's best to save ammo and twist their arms. Backwards, of course.

Skyscraper on fire!

Turkish building gets kebabled!

HUNDREDS OF people were quickly ushered to safety when a faulty air-conditioning unit caused the 42-storey Polat Tower in Istanbul to go up in flames last week. So phew! There were no casualties. All that was left to do, was for this fire-fighting helicopter to swoop in and extinguish the flames with a tonne of water! While presumably everyone stood around, tutting, wondering when they were going to be allowed back in!

190mph Spanish supercar

Meet the utterly gorgeous Aspid GT-21 Invictus

- With visual flavours of McLaren's SLR from the side, Aston from the rear and VW's Scirocco from the front, details of the angry Aspid GT-21 Invictus have freshly broken cover.
- This is the second supercar from the Catalan company. The Invictus shares the same aerospace-grade aluminium chassis with its first creation, the 2008 Aspid Supersport – a car which was beautifully built but looked like the cellar-living child of a Caterham and Citroën 2CV that got drug banned from the Olympics.
- The Invictus is one of those cars you can't stop staring at. One minute it looks like an android robot, the next a futuristic flying machine. There are winglets and sharp angles everywhere. The open front wheels are especially mental, as there are no front wings. At the back there are Audi R8-style gills under the lights, with a massive comb-like Aston DBS diffuser.
- Under the long, sprawling bonnet is a BMW V8 breathing

out 450bhp, but Aspid hasn't specified which one. Judging by torque and power figures, we have a good hunch it'll be the same 3,999cc V8 as the M3, but with bhp up from 420.

- We hope this is true, because that stonking Beemer engine will shift a 1.6-tonne M3 to 62mph in 4.6 seconds.
- The Invictus promises to reach 62 inside three seconds. How? Because it tips the scales at less than a tonne. So it could really give Lambo's Aventador a run for its money both in looks and acceleration. Top end's around 190mph.
- The lightweight motorway missile has been made using composites and carbon fibre, and its chassis weighs a mere 80kg. Customers can choose

between a six-speed manual gearbox, or the lightning-fast seven-speed twin-clutch paddle system, as used in the M3.

- Instead of carbon ceramic brakes, the Aspid uses traditional steel discs. But the custom carbon-fibre steering wheel is more futuristic, with most of the control buttons and an infotainment display screen moulded inside. Trick.
- Aspid hopes to make up to 250 cars per year and begin production before 2014. With those side exhausts right below the driver and passenger windows, we can't wait to hear this thing. Which will cost around £200k.

"Hmm, where shall I put my 'GB' bumper sticker?"

"Ha! Getting to Asda

SEX ADVICE FROM A FIT LESBIAN!

Because she knows what she's doing and we don't!

DANNI ORSI,
100% REAL
LESBIAN!

You might recognise Danni from hit TV show *Candy Bar Girls* on Channel 5

Bra problems!

Whenever me and my girl get down to it she always leaves her bra on. We've been together for six months and I've probably only seen her boobs once. She's got a great pair so I don't understand why she's so insecure. What should I do?

ROLAND London

Do you compliment her on her breasts? Perhaps be more vocal about it. Instead of leading sexual intercourse towards the bedroom, insist on taking her into the bathroom. That way, if you share a shower she'll have to take off her clothes, including the bra. I suggest you run the shower first to steam up the room – this way she'll feel more comfortable. If you both enjoy passionate sex, try seducing her into the shower with her clothes on and slowly, while kissing, letting the items fall off.

ILLUSTRATION: BILL MCCONKEY

LETTER OF THE WEEK!

Her mates can't stand me!

All my girlfriend's mates hate me. To be honest, they're all a bit stuck up. They keep telling her I've been cheating on her when I haven't and now she's told me she doesn't know who to trust. How do I get her to believe me?

TIMMY F Burnley

If you're not happy and feel mistreated, leave her. Acting with this bold attitude will have her running back to you. You mention that her friends are stuck up and by this you indicate you behave differently to them. Maybe it's because you're different that your girlfriend's with you. Make sure you show off your unique qualities!

My daft tattoo!

I went on a lads' holiday and had my girlfriend's name tattooed on my arm. It's freaked her out but I can't say it was a drunken mistake. Help!

MAL via email

I advise you to have it covered over with another design or removed. It's always best to be honest and admit it was a drunken mistake. They say alcohol speaks the truth, so it's a compliment directed at your girlfriend. She may not admit

it but she'll secretly like it and remember it being there even if you get it removed.

She won't go down!

My girlfriend used to give great oral but hasn't been down there in ages. Should I mention it?

GS North London

Do you shower regularly? Hygiene is very important, especially with oral sex. Buy a fragranced body wash and let her scrub you down. Once out of the shower, allow her to dry you. Play out the scene imaginatively and she'll gobble your goodies all night long!

- If you've got something to ask Danni, just email her at thelesbian@nutsmagazine.co.uk or write to her at the usual address on p66.

'My foot was hanging by just a bit of skin!'

Calamitous car collision leaves cyclist well and truly punctured!

➔ **THIS MASHED-UP** bit of meat is the ankle of *Nuts* reader Jay Aubrey, who nearly lost his foot after a catastrophic car encounter while out on his bike.

"I'd been cycling for about seven or eight miles and was nearly home," recalls the IT technician from Cardiff.

"Then, out of nowhere, a car smashed into my side, throwing me across the road!"

When Jay sat up to look at his leg, he was horrified. "My leg was parallel to the road but the sole of my foot was still on the ground. When I lifted my leg, my foot was hanging by a bit of skin with the bone sticking out!"

At hospital, docs patched him up with 40 stitches, five screws and a metal plate for good measure! "Docs say it's going to take 18-20 months to heal because both the muscles and bone have to be reconnected," adds Jay.

Proof that cycling might be good for the planet, but isn't always so good for your legs.

TOWIE's newest hottie talks to *Nuts!*

GEORGINA ON *TOWIE!*

Georgina joined the cast of *TOWIE* in January for the start of the fourth series of the hit show.

StoreMags.com

**“Becks should be
in the Olympic
footie squad!”**

Hi Georgina! How does it feel to be appearing in *Nuts* for the first time?

Hello! It feels so exciting and new and I'm especially happy as it's such a popular mag.

We don't see enough of you in *TOWIE* – what are you up to when you're not being filmed?

I've been busy with work, concentrating on my property business – reconstructing houses and stuff.

Is modelling new to you?

Yes, it's all very new to me. I'm the new face of Littlewoods, too, which makes me proud.

Your fella Tom Cleverley is in the GB Olympic football squad. How exciting is that?

Tom being in the Olympic squad is very exciting. I'm really happy for him, although I feel David Beckham should have been picked after all the promotion he did.

Do you go in for the proper WAG lifestyle?

Ha-ha! I don't know about this term "WAG". If you mean WAG in the cynical way, then no, I don't. But if you mean a wife or a girlfriend of someone in a particular job, I guess I am.

What's a typical night out with you and your friends?

Oh god, I love a night out with my girls. I always like starting the night early, getting ready with a few drinks. We could end up anywhere!

Are all girls from Essex as pretty as you?

Of course! There are a lot of pretty girls in Essex, but there are pretty girls everywhere.

Thanks for the chat, Georgina! Finally, what are your plans for the rest of the year?

I have lots of things in the pipeline. It's very exciting and you'll find out soon! **X**

● *TOWIE* is on Sundays and Wednesdays on ITV2 at 10pm

RUSSELL BRAND!

The tall comedian on his new show, Tom Cruise and tattoos!

Hi Russell. Your new show, *Brand X*, is totally unscripted. Do you ever watch yourself back and think, "What the hell was I talking about?"

I like to improvise, be spontaneous. I don't think, "Hey, why don't I talk about getting p**ssed on?" I just do.

You were also in *Rock Of Ages* recently. Did you enjoy snogging Alec Baldwin?

I didn't properly put one on him down his neckhole. I've snogged women before in films. I don't even bother doing any acting. If you fancy them, you think, "Hold on a minute! I'll just kiss this person." Cuts down on the acting. But Alec Baldwin is a big, hairy cupboardful of masculinity. By the time I had to kiss him, we'd developed a friendship and rapport. So I didn't put my tongue in his mouth.

What are your tips for the perfect snog?

Don't lunge in like a drunk stinking of cider. Let the moment linger. Get right close to their face, create real tension and then... go at it like a fish.

We've heard lots of bonkers stuff about Tom Cruise. What's he really like?

Remember he's just a normal person. I went to his house. I was meant to be there for dinner at eight, but in *Rock Of Ages*, there's this monkey, this f**king baboon. When I read the script, it didn't go, "And then a monkey turns up." But Tom Cruise went, "Let's put in a monkey!" No one has said no

to Tom Cruise since 1985. And because that motherf**king monkey has been going mental, being a dick, I was late for dinner round Tom Cruise's house.

What happened?

I got there at ten. I texted him to warn him. "That f**king monkey that you love so much..." - I didn't swear - "...has been incorrigible." By the time I'd got there, they'd finished dinner and the table had been cleared. I had to eat a three-course meal in front of Tom, Katie Holmes and Suri Cruise. I had lasagne, which was really difficult to eat and got in my hair.

You recently did a show with the Dalai Lama. How was that?

My driver thought we were meeting a bloke called Darrell Llama. [Does impression] "What time have we got to meet Darrell Llama?" "About ten." "Do you think he's going to want any food?" "Yes, just get him a Cornish pasty or something." Ain't that funny? I wondered if he was going to do small talk. "Come here on the train, did you, mate? Have a cup of Virgin tea?" You know me, I was bound to say something f**king mad.

The ventriloquist couldn't help thinking he'd forgotten something

Talk us through your new tattoos.

[Points to arm] This is Krishna. Seventy per cent of the universe is unclear. It's f**king miles and we can't f**king see it. All we see is a narrow spectrum of ultraviolet light. There are all sorts of energy we can't see yet. We need to tune our heads away from the frequency of idiocy and fear, and form a glorious utopia, set up by me. [Points below] And this one is West Ham.

Do you still speak to Katy Perry?

I can understand you're curious, but we were married and I loved her. She's a person who I care about so I have to be careful what I say. She's still out there in the world somewhere.

Thanks, Russell. One last question: is there anything sexually you wouldn't do?

I had it off with these sisters. On their own, I wouldn't have bothered. They may have been lying but the whole sister thing raised the game. I realise now I have a different moral template to most people. It's not like I'm doing it with my own sister. It's not incest. I haven't got a sister!

Blimey! Anything else to confess?

I used to go to Reading to have sex with fat prostitutes. They were brilliant. I'd hang out with them afterwards and hear all these mad stories. One guy would put knickers on, get in the bath, sh*t himself and go, "Nanny, I've been a naughty girl, I can't go to nursery." Imagine when he has to explain what he wants! "Well, first I'll put your knickers on, then I sh*t myself and..." Ricky Gervais phoned me up before we really knew each other and I told him that story, 'cos he's from Reading. He went, "I've got to go, see you, bye." That quickly. I thought we'd never be friends after that! X

30 AMAZING OLYMPICS FACTS

The maddest things you'll ever need to know about the Games!

1 Diving star **Tom Daley** was criticised earlier this year when he joined team-mates in recording a spoof dance video for LMFAO's *Sexy And I Know It*. The clip has almost a million hits on YouTube to date!

2 The new Aquatics Centre for London 2012 cost £269million to build and was inspired by the streamlined shape of a stingray.

3 As per tradition, the **Olympic flame** was lit using a curved mirror and sunlight in Olympia, Greece, 70 days before the start of London 2012.

4 The Olympic rings represent every country in the world. Every nation in the world contains at least one of the five colours – blue, yellow, black, green and red – in their flag.

5 GB badminton star Chris Adcock ditched girlfriend Gabby White for a new mixed-doubles partner. But it's worked out for him as he and new team-mate Imogen Bankier have made the Olympic team. What's more, Gabby has stuck by him!

6 The word **Gymnasium** means "school for naked exercise".

7 Free condoms have been available in Olympic villages since Barcelona in 1992. An estimated 150,000 condoms will be provided in London by Olympic sponsors Durex.

8 A whopping 682 tonnes of **seafood** will be consumed during the Games in the athletes' village.

9 Great gran **Dinah Gould** was the oldest bearer of the Olympic torch on its route from London. She's 100 years old.

10 Jamaican sprint sensation **Usain Bolt** holds the current 100 metres world record at 9.58 seconds.

11 Kazakhstan shooting champion Maria Dmitrienko's gold medal presentation turned into farce at the Asian Championships when the wrong anthem was played during the prize-giving ceremony. Instead of the real Kazakh national anthem, a parody tune from **Borat** was used by mistake.

12 London is the first city to host the Olympics three times – in 1908, 1948 and now 2012.

13 Water from the swimming pools at London's new Aquatics Centre will be reused to flush the toilets of the Olympic Park. Don't worry, though – the pools don't smell of chlorine as 13 high-tech filters will clean the water.

14 Organisers have warned that **streakers** will be fined up to £20,000 at London 2012, so don't get any ideas!

15 Medals at London 2012 will weigh 400 grams, the same weight as a tin of Heinz soup, but somewhat more valuable!

16 London 2012 will see the first GB football team since 1960, when a team of amateurs, including a fishmonger, a joiner and a dentist, competed in Rome but were eliminated in the early stages.

17 More than 2,100 medals will be presented across 302 ceremonies this summer.

18 Wimbledon will host the Olympic tennis tournament, where 26,400 tennis balls will be used.

19 The youngest Olympian ever was **Dimitrios Loundras**, a ten-year-old Greek gymnast who took part in the 1896 Athens Olympics.

20 Over 200 buildings were demolished to make way for the new Olympic Park in Stratford, East London. Items found on the site ranged from a rare Roman coin to 3,000 year-old human remains.

21 The Olympic Park covers 500 acres, the same size as Alton Towers.

22 Uruguay have the longest of all national anthems at London 2012, lasting six-and-a-half minutes. Here's hoping they don't win too many golds!

23 The platform height used in the Olympic diving competition is ten metres – taller than a three-storey house. Don't bottle it, Tom Daley!

24 The tallest ever Olympic athlete was China's basketball star **Yao Ming**, who stands at an incredible 7ft 6.

25 Gold medals haven't been pure gold for a century. The 1912 Olympics was the last time that gold medals were solid gold. Ever since, they've been silver with gold plating.

26 Sprinter **Dwain Chambers** was banned from athletics for two years for testing positive for a banned substance, a period that included an ill-fated career in American football. He'll lead Team GB's charge in the 100m at London 2012.

27 Superstar Dutch horse Moorlands Totilas has changed allegiances and will compete for Germany in the Equestrian at London 2012, after German nobility bought the rights to the horse for a world record €15million.

28 Fifteen cubic metres of water per second will rush down Lee Valley's 300m water canoe slalom facility.

29 **Zara Phillips** will represent Team GB in the equestrian at London 2012 and will stay in the athlete's village alongside everyone else. At least she has the option of popping to her nan's down the road at Buckingham Palace for dinner, though.

FROM THE Brixton STREETS TO THE NBA!

Meet Luol Deng, one of the biggest sport stars in the US and the 6ft 9 captain of Team GB basketball...

Hi Luol. What do you remember about your life growing up in Sudan? Children just a little older than me were being drafted into the Army.

My father worked for the government, so it made him a target. I was young, but the sound of gunfire was something you'd hear every day.

Did your move to London affect you?

It didn't at the time as I was young but, looking back, it's clearly changed my life. When I arrived, it was like arriving in the future! Everything looked so different from Sudan. Britain looked after me and my family, and that's why I'll always consider myself British and why I'll always call England home.

You're 21 now. What do you remember about growing up in Brixton?

That all the boys played football! When they were at school, when they got home, at weekends. That's how I made my friends. It's a little sad that maybe I wouldn't have made friends if I hadn't been a good player, but that's the reality of being that age.

Do you still go back there and if so, what sort of reaction do you get?

I do go back as it played an important part in my life. Jimmy Rogers, who was my coach at Brixton, was one of the most influential people in my life, and I met some great people there. The reaction's great and it's humbling that Brixton ask me to put my name to things they're doing in the community.

When did you realise you were going to choose basketball over football?

Football was always my passion and I was good, but my brother made me also go to basketball training. By the time I was 14, I was 6ft 7 and I had to start taking basketball seriously but even at that age, I preferred football.

What are your memories of playing basketball in the UK?

It was how competitive everything was, even in training nobody wanted to lose. It's the British mentality to hate to lose, and that shaped me for later on in life. I made some lifelong friends – it was a great time for me.

You moved to the US when you were 14. How did that all happen?

You get scouted at High School, but it's not like here, where Man United and

Arsenal can sign kids up at ten years old. After you've been scouted, you get a scholarship for college. Then you get drafted into the NBA, if you're lucky, on "draft night", where teams from the NBA pick the players they want.

"And that's a great catch from the centre-forward..."

Did you ever get homesick?

Of course, but I just bought a bigger house in Chicago so all my family can stay. It's not my style to spend lots of money or to look flash, but I wanted a house where we could all live together.

Is it strange you can walk down the street here without being recognised?

In Chicago, most people know who I am but when I'm back in London, I can go and get dinner or go shopping and the only reason people stare at me is because of my size. I love not being recognised at home.

If you were to walk down the street in Chicago, what would the reaction be?

The Bulls are so big in Chicago, and it is kind of difficult to go out sometimes. People stare, or they stop and talk, or they want to take photos. I always want to make time for fans, but it makes doing regular things impossible.

How does it feel to be a Brit in the NBA?

There was a time when being a non-American in the NBA was a big deal,

but now there are, like, ten nationalities I think. It's moving forward, like the rest of the world.

NBA's biggest ballers!

Hasheem Thabeet
Oklahoma City Thunder 7ft 3

Marc Gasol
Memphis Grizzlies 7ft 1

Paul Gasol
Los Angeles Lakers 7ft

Does it bother you that you've never gained more appreciation for what you've achieved in the US over here?

Not at all.

When I first arrived in the UK all the kids played football and I don't see that changing. If you look at somebody like Clint Dempsey, he probably doesn't get the appreciation he deserves in the US.

Thanks, Luol. Finally, with just one NBA player in the GB team, where can we expect to finish in London 2012?

You go to the Olympics wanting to come back with a medal, and that has to be a real target. What I want as much as anything is that it acts a real springboard for the sport in the UK, and while football is always going to be number one, I hope we see a lot more kids playing basketball. **X**

BOOB OLYMPICS

Hi Emma! Have you had fun today? It's been wicked! I've been very excited about meeting Lucy Collett, and I'm pleased to say that she's awesome. It's great to have a feisty redhead in *Nuts*.

Does that mean she's the sportiest girl here?

She's been very good at the basketball today. Lucy has good ball skills – it's official.

What have you enjoyed most about our boob Olympics?

All the props! I got to use a javelin, a hammer and a hockey stick. Best of all though, I got to have a go on a proper racing bike. That was just awesome.

Did we see you enjoying a spot of nude cycling earlier?

Ha-ha! I'll have some quite intimate bruising after this shoot. That saddle might just have been made for a man. Blokes, I feel your pain!

Would you be any good at any of the Olympic sports?

Not that good. Maybe if I had to do a few roly-polies. I might be good at that! I'd also be good at the three-legged race, the number of times I've walked a drunken Rosie Jones home!

Do your boobs deserve an Olympic medal?

Yes, but my bra should get one for the sheer strain of its daily life. If we're dishing out medals for boobs today, I think Leah would get gold and Lucy would get silver. You've really got some busty beauties today!

Cheers! Finally, then, which everyday event could you turn into an Olympic sport?

Jägerbombing would be an awesome Olympic sport. I'd get silver, Jones would get gold! ►

BOOB OLYMPICS

“I am sporty, but I like my chicken nuggets too much!”

Hi Lucy! How are you enjoying today's sporty shenanigans? It's amazing! We're all oiled up, and I'm just admiring Emma Glover's amazing athletic legs. This is the most active our boobs have been on a shoot!

Are you a sporty person?

I am, kind of, but I like my chicken nuggets too much. Most forms of exercise have to go out of the window, or else I'll end up hurting someone with my boobs.

Do you like sporty blokes?

I do actually, yeah. It's not essential, but a bloke who's into sports is normally a lot fitter and, more importantly, is likely to have very good stamina.

What's your sport of choice?

I really like to watch cricket. It goes on all day and you can just sit, chill out and drink the day away. I'm normally smashed by the time it finishes. It's very British.

How excited are you about the Olympics?

I'm looking forward to it and cheering on Team GB. I'm probably going to throw a little Olympic games party.

Do you think it would spice things up if they did certain sports in the buff?

Yeah, that'd be pretty funny, wouldn't it? Imagine everything flopping about everywhere. The TV audience figures would go through the roof.

Thanks, Lucy. Finally, would you consider streaking at the opening ceremony?

Oh, definitely! I have to admit, I'm a bit of a secret streaker, so the Olympics might be a good opportunity for it! ▶

Hiya Holly! How do you like our boob Olympics? Hello! I love it! Today's been great fun and all the girls have huge boobs. Especially Leah Francis, I couldn't stop touching them!

What's your favourite event?

Gymnastics is the most fun to watch, the stuff they can do is amazing. I love Tom Daley as well – he's too cute. I'll be showing him my support from the comfort of my own living room.

So you like Mr Daley. Do all your chaps have to be buff?

Not at all! I'm more interested in their face and personality – body comes last. The first thing that attracts me to a guy are his eyes. I really like a guy with tattoos, too.

Is sport a turn-on or a turn-off?

Sport is definitely a turn-on. There's nothing wrong with a guy who has great stamina – you never know where else it might come in handy!

Are you more of a sprinter or a marathon lady in the bedroom?

I'd say a marathon lady, but it depends on my mood at the time. I prefer a guy to take his time and not skip the foreplay.

What event would be even better if it was done naked?

Sprinting would be funny. I wouldn't dare streak. I can't run without my boobs in a really good bra or else it just gets dangerous!

Finally, which *Nuts* babe would you give a medal to?

I think Leah deserves a medal for carrying hers around every day. They're pretty impressive! No one on the shoot could take their eyes off them. ►

BOOB OLYMPICS

**“Equestrian events
are good to see
boobs bouncing
up and down!”**

H i Leah! Are you enjoying our boob Olympics today?

Hello! It's cool, thanks. When you told me

I was doing the boob Olympics, I thought, "I'm going to need a better sports bra!"

Are your boobs getting a good enough workout?

Oh yes. I've been jiggling them around all day. I almost gave myself a black eye at one point. There are boobs bouncing about all over the place!

How sporty have your fellow *Nuts* babes been?

Everyone's a bit on the hyperactive side. It'd be too hard to pick out one girl for special praise, although Holly's boobs never fail to amaze!

Are you excited about the real Olympic games?

I am. I'm into my horse riding, you see, so I'll be watching the dressage religiously. The equestrian events are always good for seeing the boobs bouncing up and down!

Could we pull off a pair of those tight, white jodhpur thingies?

Ha-ha! Of course you can! I do like to check out the men and their tight bottoms. There's nothing sexier than seeing a hot man on a horse.

Can you invent us a sport for the bedroom Olympics?

I'd like to see something like a bedroom riding competition. My thighs are built for riding and clamping, so I'd be in with a shot at a medal!

Finally, what about your boobs, do they deserve a medal?

Oh hell, yes! They deserve the heavyweight champion gold medal because they're just so big!

Lemon La Vida Loca

ITV2 • 10pm

With his film and book coming soon, 2012 is the year of the Lemon. This new "reality show" gives us a rare glimpse into Lemon's personal life. It's being described as a cross between *Keeping Up With The Kardashians* and *I'm Alan Partridge*. Can't wait!

England vs South Africa

SKY SPORTS 1/HD • 10.30am

As much as we're enjoying the Olympics, you can't beat a bit of bat-swinging of a summer's day. The second Test begins at Headingley and this could be pivotal in England's bid to remain world number one as there's only one more Test after this.

SKY MOVIES SCI-FI/HORROR • 9pm

With no escape from sport (unless you're asleep and dreaming) why not check out Christopher Nolan's epic dream-invasion thriller? Leonardo DiCaprio, Tom Hardy and Joseph Gordon-Levitt are thieves who can enter the mind through their victims' subconscious. A nice escape from the Olympics, if you're looking for one.

SEARCHING FOR SUGAR MAN

27 July • 12A

Yes, it's a wordy rock documentary but the story of '70s singer Jesus "Sixto" Rodriguez from the Oscar-winning makers

of *Man On Wire* is truly awe-inspiring. It starts in South Africa where, unknown to him, the Mexican's music sold millions and he was bigger than the Rolling Stones. It's a corker and will leave you a fan of the man and his music. ★★★★★

Belting British crime drama that's well worth your time. "Wild" Bill Hayward returns home after a stretch in jail to find his missus has done

a runner and left his two young sons to fend for themselves. When his youngest gets into trouble with local gangsters it forces Bill to become a dad again, of sorts, and risk going back inside. Includes a brilliant fight scene. ★★★★★

It was intriguing that R'n'B man Frank recently came out as bisexual. Sadly, his debut of snoozesome soul isn't as interesting. ★★★

10 RUDE QUESTIONS!

And a real girl to answer them!

Hannah

22 Liverpool

1 Where's the strangest place you've had sex?

"There was one time when we ended up going at it on the kitchen table – that was a lot of fun!"

2 What's your trademark move in the bedroom?

"I really like jumping on top of the other person and passionately kissing them from head to toe."

3 What turns you on?

"I always get really turned on by a man with a toned bum."

4 What's your favourite position?

"I think it's best with the guy on top so I can watch everything."

5 Is it better to give or receive?

"It's always good to give, of course, but receiving

is something else altogether, so I prefer that."

6 What one thing would you really like to try but haven't yet?

"I'd love to have sex on an aeroplane – I think that would be really cheeky. Everyone wants to join the Mile-High Club, right?"

7 Ever got it on with another girl?

"I'm afraid not. I can definitely appreciate a gorgeous girl but they're just not for me."

8 What's your favourite role-playing costume of choice?

"I like to wear a sexy naughty nurse outfit in the bedroom."

9 Have you ever made a sex tape?

"No. What I get up to in the bedroom is just for me and my man to know. Who knows where it could turn up in the future?"

10 What's the rudest thing you've ever done?

"It's far too rude to put in the magazine, so it'll have to stay for me to know and you to wonder!"

"I once had sex on the kitchen table – that was a lot of fun!"

CONFESSION OF THE WEEK!

'We did it on the beach'

LAST SUMMER my boyfriend and I spent the day on a gorgeous beach in Cornwall. It was busier than I'd hoped but it was so hard to keep my hands off of his hot body. After a day of saucy looks and sly fondling it all became too much. The beach had emptied a bit by late afternoon, so we took the opportunity to get frisky. We popped up the windbreak and I straddled him, pushed aside my little bikini bottoms and slid onto his hard c*ck. He teased my nipples with his teeth while I rode him and he came almost immediately!

Anon via email

'I fondled my boobs'

I WAS at a house party but didn't know many people there. As a result, I'd drunk rather a lot of alcohol to make me feel less shy. Someone suggested

playing some games and "I have never" got under way. It came to my turn and I announced that I'd never had a one-night stand. A handsome chap looked at me and giggled. I thought he was taking the mickey out of me but then he winked at me. He got up and left the room and the alcohol

inside me told me to go and follow him. I found him in one of the bedrooms. Things got passionate pretty quickly as he ripped off my clothes and started kissing me all over, playing with my big E-cup boobs. I was gagging for it and as he entered me from behind while rubbing my clit, I started fondling my boobs. It was the rudest thing I've ever done!

Victoria via email

'Frisky on the forecourt'

I WAS driving late at night when I needed to stop off for some fuel and to pump some air into my tyres. There was a really hot guy using the pressure pump. He was older than me but had rippling muscles and gave me the sexiest smile. I walked straight over to him and asked if he needed help with anything. He let out a dirty laugh and we both stood there for a second staring at each other. He pulled me towards him and in an instant we were snogging passionately. He was rock hard and I was wet. He opened the car door and I pushed him down onto the seat. I had his jeans open in seconds and my lips and mouth around his manhood. He was able to reach down and play with me before we heard shouting. It seems the forecourt manager wasn't happy with what he saw!

Alex Scunthorpe

'I realised I like girls'

AFTER LIVING with my flatmate for a few months, I realised I fancied her and wanted to experience kissing and touching a woman. I knew she'd been with both men and women so one night I raised the subject. After chatting quite openly, she caught me staring at her breasts. I gave her a smile and she moved her hand delicately across my thigh. I could feel myself getting wet as she slid her hand further and further up my leg. I felt so naughty and in no time she was stroking the outside of my knickers, so I pulled them to the side and she pushed her fingers deep inside me. I was shaking with pleasure as her fingers rubbed my clit and before I knew it I was climaxing. We now experiment most nights!

Kriss Akabusi MBE won silver at the 1984 LA Olympics as part of the British 4x400m relay team.

PERRI SHAKES-DRAYTON 400m Hurdles • Wednesday 8 August, 8.45pm
 "Most of the UK don't know her, yet she's an outside chance of medalling. She's focussed and could surprise herself, so if you're a betting man, bung a fiver on her."

PHILIPS IDOWU Triple Jump • Thursday 9 August, 7.20pm
 "Flamboyant Philips has been around and this is his last-chance saloon, but he has everything in his locker - dynamic, quick and coordinated. I've got a good feeling for him. He's capable of a world record and jumping out of the pit. Boom, hang time!"

JESSICA ENNIS Heptathlon • Friday 3 & Saturday 4 August
 "In the past year, Jessica lost both her indoor and outdoor world crowns. However, world-class across so many events, she'll gather all her strength and I believe she'll break the world record and be one of our golden girls."

Nuts SPORT

MARK CAVENDISH Cycling, Road Race • Sat 28 July, 10am
 "Cav is a superb sprinting specimen, surrounded by a great team. Last year, he showed he could do the Tour de France and World Championships back-to-back, so he can cope with a busy summer again and could get the ball rolling."

VICTORIA PENDLETON Cycling, Team & Individual Sprint •
 Thurs 2 August, 6pm (Team) & Tues 7 August, 5.26pm (Individual)
 "Returning for her third Olympics, the reigning champion knows that her reputation's on the line. But she's a steely competitor and it'll take a tough rival to beat her."

ALISTAIR & JONNY BROWNLEE Triathlon •
 Tuesday 7 August, 11.30am
 "These guys have been phenomenal, I see them both on the podium. Alistair has been the man for a long time, but the gap's closed and I wouldn't be surprised if Jonny has his glory day."

CHRISTINE OHURUGU 400m • Sun 5 Aug, 9.10pm (final)
 "She false-started at the World Championships last year and discipline may be her Achilles heel. But she's reigning Olympic champion and an East End girl running in her own back yard, so I fancy her as an outstanding prospect again."

Turn for the best of the rest of the world!

DAI GREENE 400m Hurdles • Monday 6 August, 8.45pm
 "After 20 years, it's great to have a steely British competitor in the event that I called my own. I feel Dai's going to have to break the British record to medal, but as current world champion, he's able to bring his best when it really matters."

TATYANA CHERNOVA (Russia) & **NATALIYA DOBRYNSKA** (Ukraine) **Heptathlon** • Fri 3 & Sat 4 August
 "These two know Ennis is vulnerable, so they aren't scared, and if she doesn't perform, Chernova (left) will be there."

REST OF THE WORLD!

YOHAN BLAKE (Jamaica) **100m** • Sun 5 Aug, 9.50pm
 "Training with Usain, Blake's began to see Bolt's humanity, as he loses that aura. Blake stepped up to become world champion last year and having tasted victory, he likes it."

BERSHAWN JACKSON (US) **400m Hurdles** • Mon 6 Aug
 "Expect Bershawn to be on the podium. He's not scared of Dai Greene and the only way Dai can beat guys like this is if he's on his A+ game. It's going to be a great event."

USAIN BOLT (Jamaica) **100m** • Sun 5 Aug
 "Even though I really detest all his showboating antics, it's very hard to look past him. Usain's talking about really going for it this year, surpassing his 9.58 secs."

CARMELITA JETER (US) **100m** • Sat 4 Aug, 9.55pm
 "Known as Jet, she's an explosive starter and great to around 70-80m, but it's whether she can hang on until the line. A world champion, a standout athlete and one to beat."

AMANTLE MONTSHO (Botswana) **400m** • Sun 5 August
 "It could be time for a changing of the guard. Montsho's the Commonwealth and world champion, and highest-ranked in the event, so having put her marker down, maybe it's her time."

Nuts SPORT

SERENA WILLIAMS (US) **Tennis, Singles & Doubles** •
 Sat 4 August, 2pm (Singles) & Sun 5 August, 2pm (Doubles)
 "Already a doubles Olympic champion twice over, Serena will be hungry for a singles title. She's so powerful."

LASHAWN MERRITT (US) **400m** • Mon 6 Aug, 9.30pm
 "He's an outstanding athlete and the best by a mile. He won silver at the World Championships and I saw him run 44 secs flat last year. I think he can run 43.5 secs, he's that good."

US BASKETBALL TEAM (US) **Basketball** • Sun 12 Aug, 3pm
 "With stunning slam-dunks and steals, I love basketball. I'm looking forward to seeing the likes of Miami Heat's LeBron James and Dwyane Wade defend their Olympic title."

CHRISTOPHE LEMAITRE (France) **100m** • Sun 5 Aug
 "The first white man to run under ten seconds, Lemaitre's style is all over the place, as if shopping at Asda, but he has his own rhythm and I pray nobody tries to refine his edges."

KAMMY!

He's the voice of the fans – and he's only in *Nuts*!

"Oh no, not the drunk uncle at a wedding routine again"

Get behind our Olympic footy hopefuls!

Despite a lack of Becks, it'll still be great for our nation!

➔ I REALLY am unbelievably excited about the Olympic football. I'd have been even more so if David Beckham had been involved, but he's not there so we just have to cheer on the boys who are.

After the disappointment of the Euros, people are downbeat about national football. Normally our players just can't seem to perform the way they do in the Premier

League at a national level, so it'd make a nice change to do well in the Olympics.

I'm disappointed that Argentina aren't there, with the likes of Lionel Messi, but it's great that football is getting such a high profile. The squads are very strong and the players we're going to see will be brilliant.

It's ridiculous that the Olympic organising committee have taken so

many tickets off sale because they couldn't flog them. They should be given out to the community. This is a once-in-a-lifetime tournament!

As for our chances of bagging a gold, you never know, but I think we'll all have to base it on the performance in the first game and take it from there.

I also think we should get behind Stuart Pearce. OK, I think it was a poor decision

to leave David Beckham out – I don't think there would be any empty seats if he were involved – but we can't judge Pearce before a ball's kicked.

Whatever happens, I'll be getting along to as many matches as possible.

RYAN GIGGS (GREAT BRITAIN)

AGE: 38, MIDFIELDER

"What a servant to the game. He deserves the honour of the captaincy. Winning the competition would be a fitting tribute to him."

IKER MUNIAIN (SPAIN)

AGE: 19, WINGER

"He's good with the ball and possesses superb quality. I think he's another player Spain can add to their fantastic repertoire."

NEYMAR (BRAZIL)

AGE: 20, FORWARD

"Pele described him as the greatest player in the world. He's quick, strong and skilful. I think people will look forward to seeing him."

LUIS SUAREZ (URUGUAY)

AGE: 25, FORWARD

"Love him or loathe him, he's a huge talent. He'll be an interesting watch. He's a match winner and I think he'll produce the goods."

TAKASHI USAMI (JAPAN)

AGE: 20, MIDFIELDER

"This wonder kid plays for Bayern Munich. He hasn't had many games but has scored a few. I think Japan are pinning their hopes on him."

ELLEN WHITE (GREAT BRITAIN)

AGE: 23, FORWARD

"She's tall and powerful and can set the tournament alight. It's a chance to show the world how far we've come with women's football."
